

Each year the Auglaize & Mercer Counties Convention & Visitors Bureau works hard to market and promote The Greater Grand Lake St. Marys Region. Do you want to be a vital part of attracting visitors to our area? Now is the time to capitalize on the uniqueness of our two-county area as a regional destination.

While the majority of our funding comes from the lodging tax overnight guests pay at our local hotels, it is your membership that makes us strong. Your commitment to the CVB helps us spread the word about all of the great attractions, recreation, historical sites and culture in the two-county region.

These visitors contribute over \$50 million to our local economy by:

- staying in our hotels
- dining in our restaurants
- shopping in our stores
- enjoying our events
- using our many other services

The CVB delivers visitors to our area by:

- attending regional travel shows
- hosting a website
- producing a visitors guide
- investing in print and radio advertisements
- distributing area brochures
- operating tourism information centers

For an annual investment of only \$35 you can continue to make the CVB membership strong and show that you and your business are committed to welcoming visitors to The Greater Grand Lake St. Marys Region.

The 2007-2008 CVB Membership Committee

Josh Hines, Chair

Greg Myers, Becky Macwhinney, Tom Saddler, Kelly Kill, Craig Morton
